Tuesday 3:00pm – 5:00pm Elementary Rm 205 \$250

Instructor: Mr. Jordon Patterson

Breaking the Code is an introductory class to script coding. We look to expand upon previous knowledge of computer programming acquired from block coding. This course will use a program called Code Combat which is a fun and adventurous way for students to understand the basics of script coding.

WEDNESDAY

Kids On The Go (Grade 3-5)

Wednesday 2:15pm – 3:15pm

Elementary Foyer

\$100

Instructor: Ms. Stevi Dixon

This running program for boys and girls provides a positive and healthy opportunity for children to develop routine of physical exercise. The program will emphasize the fun of running and focus on conditioning and technique. Runners will learn stretching and strengthening exercises to improve their running and avoid injury.

THURSDAY

Clay Studio (Grades 3-5)

Thursday 3:00pm – 4:00pm

Secondary Rm 120

\$125

Instructor: Mr. Warren Andrade

Experience the magic of the clay! In this hands-on class, we explore the hand building techniques of coil, pinch, and slab, abstract work; various textured applications in exciting projects that nurture children's creativity; and wheel throwing. Each week, students will create pieces in three dimensional arts, such as animals, masks and more! These projects make great bases for children's personal visions and allow them to play with art concepts including symmetry, texture and patterns. Working with clay helps children develop coordination and concentration while teaching them how to transform ideas into creative expressions. As the class proceeds they will be gaining knowledge about ceramic materials, glazes and firings. Class fee includes materials

Soccer 101 (Grade 1-3)

Thursday 3:00pm – 4:00pm

Field

\$100

Instructor: Mr. Seth Yee-Lee

Have you ever thought about playing soccer? But don't know how to play? Come join us for Soccer 101! This class will be an introduction to soccer, where we'll go over all the basic skills (dribbling, passing, shooting, trapping, etc.) and rules of the game. Hope to see you out there!

Note: This class is not intended for those who are already familiar with the game - although are welcomed if they would like to brush up on any of the basics.
