WHERE VALUES MATTER

KEIKI GOURMET LUNCH ENROLLMENT FORM

Service Dates: Monday thru Friday

Aloha,

Thank you for the opportunity to provide a catered lunch for your child at ISLAND PACIFIC ACADEMY. We currently service over 2,500 children per day and have 4 USDA certified kitchens strategically located across the island of Oahu to provide the most efficient, effective, and safe service.

We are currently accepting orders to provide a 5 day per week lunch service. Our lunches include a protein, starch, vegetable, fruit, and milk. We try our best to accommodate most dietary limitations, and do not charge extra for them. Please advise us of any allergy requirements.

We charge a flat rate for monthly service. There are no hidden fees, but in order for our Chef's to plan for and order the raw goods in advance, we do not offer any credits for missed lunches when your child does not enjoy the catered lunch (e.g., sick days). Our monthly pricing is based on the average days of school over the course of the school year. October and December are offered at reduced pricing due to number of school days in those months. Exceptions may be made for extraordinary circumstances, but in general there are no refunds once an order has been placed.

We will publish a calendar of menu items on or before the 15th of the month to show which items will be offered and to give you about a week to place your order by the 20th for service the following month.

We are excited to keep ISLAND PACIFIC ACADEMY in our group of distinguished schools for another year. We feel that we have a quality product that is tailored to provide both delicious and nutritious options for your child.

Thank you,

Keiki Gourmet
