ISLAND PACIFIC ACADEMY

WHERE VALUES MATTER

KEIKI GOURMET LUNCH ENROLLMENT FORM

Service Dates: Monday thru Friday

Keiki Gourmet

Aloha,

Thank you for the opportunity to provide a catered lunch for your child at ISLAND PACIFIC ACADEMY. We currently deliver lunches to over 3,000 children per day at over 50 schools across the island of Oahu and are happy to be back for our 7th year at IPA.

We are accepting orders to provide a 5 day per week lunch service, Monday through Friday. Nearly all entrées are made from scratch and all meet or exceed USDA Nutrition Standards for the Child and Adult Care Food Program (CACFP) Meal Pattern. Healthy options like brown rice, fresh fruits, and fresh vegetables are used whenever possible. We try our best to accommodate most dietary limitations, and do not charge extra for them. Please advise us of any allergy requirements.

We charge a flat rate for monthly service. Our monthly pricing is based on the average number of school days per month during the school year divided into equal monthly payments. August, October, December and March are offered at reduced pricing due to school breaks. In order for our staff to plan for and order the raw ingredients in advance, we do not offer any credits for missed lunches when your child does not enjoy the catered lunch (e.g., sick days). Exceptions may be made for extraordinary circumstances, but in general there are no refunds once an order has been placed.

We will publish a calendar of menu items on or before the 15th of each month to show which items will be offered and to give you about a week to place your order by the 25th for service the following month. We are excited to keep Island Pacific Academy in our group of distinguished schools for another year. We feel that we have a quality product that is tailored to provide both delicious and nutritious options for your child.

Thank you, Keiki Gourmet
