

Don't Miss this Educational Summer Program!

# NAVIGATE THE FUTURE

Navigate The Future is a unique summer educational program for the 21st Century learner. It will transform your child into a Design Thinker using the skills needed in this constantly changing world. Learn the 7 Design Thinking Mindsets over a 6-week period. **Navigate The Future** will provide your child the confidence to embrace the challenges yet to come.

## DESIGN THINKING

- Human-centered approach to problem solving
- An approach to define and solve tough challenges
- Focus on prototype solutions and learning from mistakes
- Real-world problem solving skills

Entering  
**Grades 6 - 9**
