## **The Art of Entrepreneurship** (Grade 4-6)

Location: Maker Space

\$520

Time: 3:00pm - 5:00pm (Monday and Wednesday (twice a week))

Instructor: Ms. Sage

Want to make a difference in the world around you through your creativity and innovation? Interested in turning something you enjoy into a potential career? Or maybe you just want to snack on some chocolate and sip bubble tea with original branding and mascots—designed by you and your classmates. In the Art of Entrepreneurship, you will learn the key concepts and skills you need to be an entrepreneur in the arts. Invent a new game we all get to play. Design the hot new logo or slogan that everyone wants on custom merchandise. Craft an original aroma for a room diffuser, car freshener.

We challenge you to design and innovate in all kinds of ways through a series of fast-paced, hands-on sprints. Then choose your favorite approach and dive deep to bring to market your original product or service.

No homework, no grades—just inspiration and a chance to think out-of-the-box with your creativity while you grow lifelong, real-world skills to create the career of your dreams.

\*Supplies and lab fee included in price

## **Clay Studio** (Grades 3-5)

Location: Secondary Ceramics Room

\$185

Instructor: Mr. Warren Andrade

Experience the magic of the clay! In this hands-on class, we explore the hand building techniques of coil, pinch, and slab, abstract work; various textured applications in exciting projects that nurture children's creativity; and wheel throwing. Each week, students will create pieces in three dimensional arts, such as animals, masks and more! These projects make great bases for children's personal visions and allow them to play with art concepts including symmetry, texture and patterns. Working with clay helps children develop coordination and concentration while teaching them how to transform ideas into creative expressions. As the class proceeds they will be gaining knowledge about ceramic materials, glazes and firings.

\*Class fee includes materials.

## **Keyboard Ensemble** (Grades 1-5) - Limited availability

Location: Elementary Room 208
