WHERE VALUES MATTER

KEIKI GOURMET LUNCH ENROLLMENT FORM

Service Dates: Monday thru Friday

Aloha,

Thank you for the opportunity to provide a catered lunch for your child at Island Pacific Academy. We deliver lunches to over 3,000 children per day at over 50 schools across the island of Oahu and are happy to be back for our 9th year at IPA.

We are accepting orders to provide a 5 day per week lunch service, Monday through Friday. Nearly all entrées are made from scratch and all meet or exceed USDA Nutrition Standards for the Child and Adult Care Food Program (CACFP) Meal Pattern. Healthy options like brown rice, fresh fruits, and fresh vegetables are used whenever possible.

We try our best to accommodate most dietary limitations, and do not charge extra for them. The USDA has identified the eight leading causes of food allergies as milk, eggs, fish, shellfish, tree nuts, peanuts, wheat, and soybeans. We can provide a special lunch with substitutions for these listed foods. All meals provided are peanut-free. Please advise us of any allergy requirements.

We charge a flat rate for monthly service. Our monthly pricing is based on the average number of school days per month during the school year divided into equal monthly payments. August, October, December, and March are offered at reduced pricing due to school breaks. We do not offer credits for any missed lunches (e.g., sick days) and while exceptions may be made for extraordinary circumstances, there are generally no refunds once an order has been placed.

We will publish a calendar of menu items on or before the 15th of each month to show which items will be offered and to give you about a week to place your order by the 20th for service the following month. We are excited to keep Island Pacific Academy in our group of distinguished school for another year. We feel that we have a quality product that is tailored to provide both delicious and nutritious options and appreciate the confidence you have placed in us to feed your child.

Thank you, Keiki Gourmet
