

After School Enrichment- Fall 2025

We are excited to offer a variety of Enrichment classes after school. To register, please use our CAMPBRAIN platform. If you already have an account, simply log in, select "Fall Enrichment 2025," and you'll see the available classes for your child. Once you've selected the classes, add them to your cart and proceed with payment. Please note that payment plans are available for Enrichment classes, and refunds cannot be issued after payment is made. **Registration opens on Friday, August 22, 2025, and closes on Wednesday, September 3, 2025.**

[Register Here!](#)

There are a limited number of spaces in each class. Enrollment is done on a first come, first serve basis. Classes will automatically close when the class is full. Classes are not scheduled during school holidays, breaks, early dismissal days or parent teacher conferences.

Karate is not included on CAMPBRAIN. You must register with Sensei Billy directly. Please follow the contact information below their class description to register.

Robotics is not included on CAMPBRAIN. You must register with Ms. Loke directly. Please follow the contact information below their class description to register.

For K-5 Students: If your child is in grades K-5 and has a class that starts at 3:15, the Extended Day staff will hold them for snack and homework time, then walk them to their class. This applies to classes like Ceramics, Esports, Intro to Game Design, Digital Doodle.

For Grades 6-12 Students: If your student is in grades 6-12 and has a class in the Elementary building that starts at 3:15, they should walk over and join the class quietly. Elementary students in that class will start at 3:00. These classes include: MMA Fit and Rocketry.

Please sign your child up for classes they are interested in. We love having students participate in our enrichment classes, but this can be difficult if a child has no interest in the activity. Please be mindful of the teachers' time and energy they put into all of these classes.

We will be offering an Extended Day discount this year. If your student is in Extended Day for the school year, they will get 10% off **any IPA classes** (this does not include Robotics or Karate). When signing up for classes please email Ms. Katie and she will apply the discount.

We appreciate all of your support for our programs!

After School Enrichment Course Dates

September 8, 2025 - December 12, 2025

Monday	12 sessions	Thursday	12 sessions
Tuesday	12 sessions	Friday	10 sessions
Wednesday	12 sessions		

Withdrawals and Refund Policy: There are no refunds once registration is complete.

Monday

Story Art (Grades 1-2)

Monday: 3:00pm - 4:00pm

Location: Elementary Room 210

Instructor: Mrs. Katie Davis

Exciting opportunity for young artists! Our art class for grades 1 & 2 combines reading and drawing to foster creativity and critical thinking. By engaging in storytelling and artistic expression, students enhance their skills in a fun and interactive way.

eSports (Grades 4-8)

Monday: 3:15pm - 4:15pm

Location: Secondary Room 202

Instructor: Ms. Mel

Ignite your child's passion for gaming! Our after-school program introduces 4th-8th graders to the dynamic world of esports. We teach the fundamentals of competitive gaming and utilize a cutting-edge training platform to help students develop strategy, teamwork, and skills in a fun, safe, and educational environment.

Robotics (Grades 3-5)

Monday: 3:00pm- 4:00pm

Location: Elementary Room 205

Instructor: Ms. Loke

Students build and program their own robots while learning the basics of mechanics, programming, and drivetrain design. The session ends with an exciting obstacle course challenge – no experience required!

Robotics Flyer:  [IPAFlyerFall25.pdf](#)

Register directly with Loke: [Register Here!](#)

Karate (Grades K-5)

Monday: 3:00pm- 4:00pm

Location: Elementary Room 105: PE Room

Instructor: Sensei Billy Binz

Come study the traditional Japanese Karate. In forms (kata), kumite (sparring and fighting skills) & kubodo (weaponry katas). Also development in body coordination, balance, stamina and overall good health for the mind and body. With the goal of development of self-discipline & respect. Classes are designed to let each child develop at their own pace, but with encouragement to strive to do their best. No experience needed to join.

****Sign ups are through Sensei Billy and are independent from IPA. You may contact Sensei Billy at (808) 780-5457 or at wvbinz.bb@gmail.com**

****Karate is now twice a week, Monday and Wednesday**

Website: ikfhawaii.com

Tuesday

Choir (Grades K-5)

Tuesday: 3:00pm - 4:00pm

Location: Elementary Room 208

Instructor: Mrs. Ruth Ann Babas

Come celebrate the season with the Elementary Choir! Our students will lift their voices in songs of joy, togetherness, and holiday cheer. From honoring different traditions to sharing messages of hope, love, and generosity, their music will capture the warmth and excitement that make this time of year so special.

*****There is NO Choir on the following date:**

Tuesdays, Oct. 7

Choir Parent performance: Tuesday, Dec. 9, 2025 @ 3:30 p.m. in the MPR.

MMA Fit (Grades K-2)

Tuesday: 3:00pm - 4:00pm

Location: Elementary PE Room

Instructor: Mr. Hata

Mixed Martial Arts Fitness will be a focus on physical exercises that implement different martial arts movements (Ex. punching, kicking, footwork, calisthenics). Along with the physical development aspect, students will gain knowledge and exposure to different types of cultures and traditional practices involving specific styles. The program does not include physical contact between students. No sparring is allowed in class. Mr.Hata has been practicing MMA techniques since 2005 and he is very excited to share his passion and skills with the students at IPA!

Please have a change of clothes so your child can be in comfortable clothes and tennis shoes during class.

**Students will need to purchase 8oz boxing gloves.

Intro to Game Design (Grades 4-6)

Tuesday: 3:15pm - 4:15pm

Location: Secondary Room 203

Instructor: Dr. D. Widmer

In Intro to Game Design, students will learn how to create their own games using code.org's Sprite Lab. From drawing and animating sprites to block-based programming, students will gain the creative and technical skills they need to become confident game designers. The class will end with a Game Jam, where students are challenged to create their own game following the theme of sustainability in Hawaii.

Wednesday

Plant & Critters (Grades 3-5)

Wednesday: 2:15pm - 3:15pm

Location: Elementary Room 204

Instructor: Britany Clements

Become a nature detective and discover the amazing world all around you in "**Plants and Critters!**". We'll grab our journals and head outside to find incredible things, from soaring birds to geckos scurrying by. You'll learn how to draw what you see, and we'll even design our own real-life science projects to answer your biggest questions. Do you want to know what that mysterious flower is called, or why some birds love a certain tree? We'll find out together! By the end of the class, you'll have a super cool journal filled with your own adventures and the skills to explore anywhere.

Hula (Grades K-5)

Wednesday: 2:15pm - 3:15pm

Location: Elementary Room 103

Instructor: Ms. Emilie

We are thrilled to welcome **Ms. Emilie** as our new hula teacher! Ms. Emilie comes to us from the Hālau `o Hokulani, where she has been a dedicated hula dancer. She has experience supporting her Kumu and managing her own classes, and she is eager to bring her expertise and deep love for hula to our community.

This class is a wonderful introduction to the beauty of Hawaiian culture through the art of hula. Students will learn the basic steps and hand movements that are essential to telling stories through dance. With simple routines, this class focuses on building coordination, rhythm, and confidence in a fun and nurturing setting. Join us to explore the dance and feel the spirit of aloha!

Karate (Grades 3-5)

Wednesday: 2:15pm - 3:15pm

Location: Elementary Room 105 - PE room

Instructor: Sensei Billy Binz

Come study the traditional Japanese Karate. In forms (kata), kumite (sparring and fighting skills) & kubodo (weaponry katas). Also development in body coordination, balance, stamina and overall good health for the mind and body. With the goal of development of self-discipline & respect. Classes are designed to let each child develop at their own pace, but with encouragement to strive to do their best. No experience needed to join.

****Sign ups are through Sensei Billy and are independent from IPA. You may contact Sensei Billy at (808) 780-5457 or at wvbinz.bb@gmail.com**

****Karate is now twice a week, Monday and Wednesday**

Website: ikfhawaii.com

Thursday

Imagination Station (Grades 3-5)

Thursday: 3:00pm - 4:00pm

Location: Elementary Room 210

Instructor: Mrs. Katie Davis

Calling all young creators! Join our art enrichment for grades 3-5 and dive into a world of creativity! Express yourself, learn new skills, and let your imagination shine! What masterpiece will you create?

MMA Fit (Grades 3-7)

Thursday: 3:00pm - 4:00pm

Location: Elementary PE Room

Instructor: Mr. Hata

Mixed Martial Arts Fitness will be a focus on physical exercises that implement different martial arts movements (Ex. punching, kicking, footwork, calisthenics). Along with the physical development aspect, students will gain knowledge and exposure to different types of cultures and traditional practices involving specific styles. The program does not include physical contact between students. No sparring is allowed in class. Mr.Hata has been practicing MMA techniques since 2005 and he is very excited to share his passion and skills with the students at IPA!

Please have a change of clothes so your child can be in comfortable clothes and tennis shoes during class.

****Students will need to purchase 8oz boxing gloves.**

Sci-tastic (Grades 6-8)

Thursday: 3:15pm - 4:15pm

Location: Secondary Room **TBD**

Instructor: Ms. Copas

Explore the fascinating blend of chemistry, biochemistry, and nutrition in this interdisciplinary class. Dive into the chemical makeup of food and uncover how different compounds interact. Learn scientific concepts while understanding how the body absorbs and processes nutrients, from discovering the science behind food processing to examining nutritional principles.

Ceramics (Grades 3-5)

Thursday: 3:15pm - 4:15pm

Location: Secondary Room 123

Instructor: Mr. Andrade

Experience the magic of the clay! In this hands-on class, we explore the hand building techniques of coil, pinch, and slab, abstract work; various textured applications in exciting projects that nurture children's creativity; and wheel throwing. Each week, students will create pieces in three dimensional arts, such as animals, masks and more! These projects make great bases for children's personal visions and allow them to play with art concepts including symmetry, texture and patterns. Working with clay helps children develop coordination and concentration while teaching them how to transform ideas into creative expressions. As the class proceeds they will be gaining knowledge about ceramic materials, glazes and firings.

*Class fee includes materials.

Friday

Creative Drama (Grades K-2)

Friday: 3:00pm - 4:00pm

Location: Secondary Room 120

Instructor: Mrs. Brandi Dul

This class will encourage creativity, self-expression, communication, empathy for others and social relationships. Dramatic activities can include pantomime, creative

movement, creative drama, storytelling, choral speaking, story drama, reader's theatre, theatre games, puppetry and musical theatre.

****No class on 10/31 OR 11/14 Due to Other Productions**

Creative Drama (Grade 3-5)

Friday: 3:00pm - 5:00pm

Location: Secondary Room 120

Instructor: Mrs. Brandi Dul

This class will encourage creativity, self-expression, communication, empathy for others and social relationships. Dramatic activities can include pantomime, creative movement, creative drama, storytelling, choral speaking, story drama, reader's theatre, theatre games, puppetry and musical theatre. Students will be combined with grades K-1 for the first hour (3pm - 4pm), from 4pm - 5pm it will be only grades 2-5.

****No class on 10/31 OR 11/14 Due to Other Productions**

Robotics (K-2)

Friday: 3:00pm - 4:00pm

Location: Elementary Room 205

Instructor: Ms. Loke

Students build and program their own robots while learning the basics of mechanics, programming, and drivetrain design. The session ends with an exciting obstacle course challenge – no experience required!

Robotics Flyer:  [IPAFlyerFall25.pdf](#)

Register directly with Loke: [Register Here!](#)

Rocketry (Grades 4-8)

Friday: 3:00pm - 4:00pm

Location: Elementary Room 204

Instructor: Mrs. Thurman

Prepare for Blast off! Participants will build and spray paint the Estes "Wizard" rocket with teacher guidance. At the end of the session, each child may launch their rocket or take it home. Engines will only be provided for IPA on-site launches. Middle school students will have the option to cut out their own rocket fins.

Digital Doodles (Grades 3-6)

Friday: 3:15pm - 4:15pm

Location: Secondary Room 124

Instructor: Ms. Almazan

This class teaches you how to animate doodles in Procreate using Animation Assist, turning simple drawings into fun, moving GIFs. You'll learn how to create looping animations, add speech bubbles, and export your creations as shareable GIFs. No prior animation or Procreate experience is needed, making it perfect for beginners.
