

2026 NAVIGATORS OF CHANGE COMMUNITY SHOWCASE

Come Explore, Discover and Support Our Secondary Scholars!

We invite our entire community—from kindergarten parents to high school families—to attend the Navigators of Change Community Showcase. This is a powerful opportunity to witness the innovation, inquiry, and creativity taking place in our middle and upper school grade levels.

Come see what the future holds for your own students!

The Showcase Experience

Grade 7 Design Thinking Projects: Student-led solutions to pressing global issues with a focus on local community impact

Grade 8 Science Fair Projects: Rigorous scientific experimentation and evidence-based research

Grade 10 Personal Passion Projects: Independent, year-long explorations of personal interests and community impact

Wednesday, May 13, 2026
IPA Secondary Building
3:30 - 5:00 pm

Light refreshments will be served.
